Directions: Use the Lift Reading Fluency passages to assess students' oral reading fluency progress throughout the school year. Place a dot to indicate the words read correctly per minute (wcpm). Connect the dots to show student progress. Then record the median (middle) score for each administration.

	Median Score	Grade 5 Norms*	Grade 6 Norms*
FALL	_____ wcpm	121 wcpm	132 wcpm
WINTER	_____ wcpm	133 wcpm	145 wcpm
SPRING	_____ wcpm	146 wcpm	146 wcpm

* Norms are 2017 Hasbrouck & Tindal oral reading fluency data for the 50th percentile. Data is only available up to grade 6.
