Inez: Well, Sam, I love sports. My favorite sport is basketball.

Sam: Oh, yeah? Are you a member of a basketball team?

Inez: Yes, I play for the college team. We have a lot of fun. We go out together after every game.

Sam: That's cool. Do you have any other hobbies?

Inez: Yes. I also play the guitar in a group with my friends.

Sam: Wow. It sounds like you prefer to be with other people all the time. Are you an extrovert?

Inez: Well, I don't know. I like to be alone too. I sometimes stay home and read by myself or watch TV.

Sam: Oh, so maybe you're an ambivert. You're an extrovert in some ways, but an introvert in other ways.

Inez: I think that's true. What about you? Are you an introvert, an extrovert, or an ambivert?

Sam: I'm not sure. I visit my family every week. I like to go out with my friends a lot, just like you. I'm also part of the chess club at school.

Inez: So you like to be with other people.

Sam: Yes. And I'm not shy and quiet. I can be loud. I talk a lot in my classes.

Inez: It sounds like you're an extrovert.

Sam: Maybe...but when I ride my bike, I always ride by myself. I don't like to ride with other people.
